**Auctioneers Note:** Dick has farmed this farm since 1955, (this farm has been in his family almost 120 years) at 90 years young, he has decided to retire and sell his equipment and antique tractor collection. The antique tractors have all been stored inside - some are completely restored, and some don't run, but all are nice condition. Most all equipment was bought new and just used on this farm. Plan to attend - quality throughout.

**TERMS:** Cash or good PA check day of sale.

Out of state buyers must have letter of credit guaranteeing funds.

Nothing removed until settled for.
